

**Below is all you will need to know regarding Summer Camp procedures. Please read up on the instructions and suggestions below to make sure each camp day is the best camp day!!**

### **Check-in / Drop Off**

Drop off begins no earlier than 8:45 am. There will be a check-in desk at the front gate where you will receive your name tag and be escorted by a coach to the correct starting location. During this time if you have personal items such as a lunchbox or backpack you can stow it in the cubbies located in the back room of the facility. Campers at this time should fill up their water bottles and be ready to go.

### **During the Day**

Participants will have 45 min blocks on each court / field where they will work on various games, drills, and activities that will help them develop athletic abilities. We will rotate between the tennis courts and the field. Coaches will be at each location to ensure proper training and maximum safety.

### **Lunch/Afternoon Check-in & Check-out**

Lunch Begins at 12:00 pm to 1:00 pm. At this time we will check out the morning campers and check in the afternoon campers. Full day campers will remain at lunch. Staff will be supervising the campers during lunch/bonding with them before the second half of the day starts. Parents, please bring a form of ID when checking out campers.

### **Check-out / Pickup**

Pick-up will start at 3:45 pm. The check-out desk will be located at the same location as check-in. Parents, please bring a form of ID when checking out campers. I know there will be times that you are in a rush to come pick up your child, but I want safety to be our highest priority other than fun.

### **Day Camp Packing List**

Though you won't need to pack a lot of items, it is good to send your child off with supplies to get them through the day.
